

Proposed Printing Charges

To ensure the council does not subsidise private printing, it is proposed that printing charges are introduced similar to other parish councils*

Black copies	20p per copy	Coloured copies	40p per copy
50 copies = £10.00		50 copies £20.00	

Barnton Parish Council's average monthly printing cost is £45.00 which includes printer rental & ink but excludes paper.

*Dunnington Parish Council charges 20p per black and white sheet and 50p per colour sheet, with clerk time charged at approximately £10 per hour
