

Hello, i have moved into Barnton. I am a big knit and crochet person. I wanted to ask if I can put poppies on the metal fence on the new war memorial fence, on November. I have always done it on my old village, Holt, Wrexham. If you would like to see what i have done i can send you a photograph. I am already crocheting poppies to keep me busy. So let me now if its ok, thank you.
